Please register your players below, and in the relevant boxes insert their ranked number for both straight doubles & mixed doubles. You are advised to register more than 6 players in case of illness or injury. Rank your players as individuals so your strongest man or lady doubles player is ranked No1 and so on down the list. The same with the mixed doubles your strongest mixed doubles man or lady player should be ranked No1 and so on. It is not necessary to write your players down in their pairs on the entry form.

Please note a copy of these rankings will be sent to your opponents in each round. On the match night simply comply with Rule 5 and rank your team pairings on the score sheet in order of strength so that the strongest pairs play each other for both straight doubles & mixed doubles. For example: you do not have to play your No 1 ranked man with your No 1 ranked lady in the mixed doubles, you should honesty place the strongest pair first and the second strongest pair second. If you have any doubts about what is required in the Bicknell Trophy do not hesitate to contact the tournament Referee.
